

Calling all artists

We need help decorating little free libraries to go all over Ohio County!

Calling all artists, aspiring artists, and organizations who want to take on a project for children! We need your help! Help us get books into children's hands in a fun and exciting way all over Ohio County! The Ohio County Virtual Lions is partnering with Kappa Delta Pi Education Honorary XI Chapter, Wheeling Parks and Recreation, Wheeling News Register, and Grow Warwood Pride to bring this exciting project to life! Wheeling News Register has agreed to give us newspaper vending machines to allow us to decorate them and turn them into little free libraries. This is a children's twist on the parking meters in Centre Wheeling.
