# Accountability

---

As a Lion and specifically an Ohio County Virtual Lion, there are duties and responsibilities asked of you. These duties include communication, participation, and representing us wherever you go and whatever you do.

Do what you love in the name of the Lions.

**Accountability**

# Respect

---

Our code of ethics and policies help guide our decisions, words, and actions.

Because you represent the international organization and our local club, you should always be keeping the code of ethics and policies in mind .

As an Ohio County Virtual Lion, there's a lot of eyes on us because we are different and our focus with children. We want to represent the club as if a child is always watching .

**Accountability**

# The Whole is more than the sum of the parts.

---

When we observe each of these tenants, we make our club stronger, allowing us to do more to serve the children of Ohio County and our global causes.

# New members

We are unbelievably happy to have so many new members joining our club on this journey. New members are vital to completing projects and give us fresh ideas and perspectives to continue to grow and serve as the times and needs of the community change.

If you are new to Lionism within the last year, we encourage you to contact Lion Jan Ross, our membership chair, to find a mentor in the club you can go to with any questions, problems, or ideas you may not want to bring to the whole club.

# All Members

---

This education and enrichment series is for ALL our members. Current Lions should review the information so they can help orient new members to the ideals and projects of Lionism and our club while rededicating to the same lessons and beliefs asked of us when we joined.
